 Black Boxes—Local Club Committees Blue Boxes—Position
 Service Committee's Goal is to coordinate, support and make long range planning possible by including the President Elect. The Community Service and Avenue of Service Committee may meet jointly as required to make effective use of the Club's resources. Project Approval requests shall be routed by the Services Committee to the proper Committee with an opinion only. The Committee shall either accept or reject the project. If accepted the President shall offer an opinion and forward to the Board for final action.
