SUNRISE ROTARY

"It's not hard to make decisions, once you know what your values are." Roy Disney

AUG 2, 2017

ISSUE NO. 57

VERO BEACH SUNRISE ROTARY
SERVING THE YOUNG, THE ELDERLY, AND THE
ENVIRONMENT SINCE 1989.

One of the features of last month's RI Convention was the world premiere of Rotary's newest VR (virtual reality) film "One Small Act". The film follows the journey of a child whose world has been torn apart by conflict and supports the causes that Rotary champions, including

polio eradication and peace building. This is the second Rotary VR film.

The first, "I Dream of an Empty Ward", takes viewers to India to meet a young woman who was paralyzed by polio as a child.

Then RI President John Germ said "virtual reality allows people to see the magic of Rotary firsthand." Both films are available for viewing on Rotary's VR app, which is available for Android and Apple Devices.
