Dear Potential Sponsor,

We are embarking on a crucial mission to enhance beach safety along the unguarded shores of Indian River County. Our plan is to strategically install **life ring stations** ensuring swift access to life-saving equipment for beachgoers.

Why Sponsor a Life Ring Station?

- 1. Exposure:** By sponsoring a station, your brand will gain visibility among beach visitors, residents, and tourists. Imagine your logo prominently displayed near a vital safety resource.
- 2. Impact:** Your sponsorship directly contributes to maintaining these life ring stations. In times of emergency, these stations can be the difference between life and tragedy.

How You Can Help:

Your sponsorship commitment will cover the operational costs of a life ring station for an entire year. It's a small investment that could have a profound impact on someone's life.

Join us in our mission to create safer beaches. Your sponsorship matters, and together, we can make a difference.

Thank you for considering this opportunity to save lives.

Sincerely,

Justin Lefebure (772-925-2675 justinheadsup@gmail.com)
